

# Watercraft Trailers

*J-2 TB  
w/ Custom Pack*

With over 70 years experience, Zieman is the Industry leader and your best investment!

## S - 1

Shown in hot dipped galvanized finish.  
Recommended for salt water use.

For hauling your single watercraft, the S-1 combines quality with value. This popular trailer features a marine axle for corrosion protection and is fully submersible.

## J - 1 B *w/ Custom Pack*

This Deluxe model comes standard with a large storage box, full length rear steps, jack and caster. The trailer above is shown with an optional Custom Pack.\*

\* *Optional Custom Pack consists of Chrome Modular Wheels and Polished Aluminum Deck Plates*

Haul your two watercrafts with this efficient, heavy duty trailer. Multi-standard features include convenient Storage box, Container / Spare tire rack, Jack with Caster and much more...

## J - 3B

### Container / Spare Tire Rack

For added convenience and peace of mind. This rack comes standard on all Multi-Craft B Models and holds up to four standard containers with your spare tire.\*

(\* spare tire and containers not included)

### Heavy Duty Safety Chain

Included on every trailer.

### Steel Storage Box

is standard on all B models.

### Winch Stand

This feature makes loading and launching your craft a breeze.

### Welded Steel Fenders

Provides strength and durability

### Wiring Grommets

Protects wiring against electrical shorts.

### Steel Reinforced Carpeted Bunks

### Structural Channel Welded Frame

Provides years of trouble free operation.

## J - 2 B w/ Custom Pack

### Jack and Caster

Standard on all models

### Marine Quality Trailer Axles

Helps minimize maintenance.

### Sporty Modular Wheels

are standard. Chrome modular wheels are available as part of our Custom Pack.

### Trailer Lights

are fully submersible.

### Polished Aluminum Deck Plates

As part of our custom pack, this non-skid diamond plate adds that extra touch.

### High Grade Bunk Carpet

Protects your personal watercraft when loading
